**SUPPLEMENTAL RESPONSE TO OFFICE ACTION**

Commissioner for Patents  
P.O. Box 1450

Dear Sir:

In response to the restriction requirement mailed May 12, 2004, applicant elects group I, claims 1 – 17 (compound claims) with traverse, reserving the right to file a divisional application on the non-elected subject matter covered by claims 18 – 28.

In reviewing the Office Action mailed on May 12, 2004, page 2 the claims pending in the application are claims 1 – 28. The Examiner inadvertently showed claims pending as 1 – 17 instead of 1 – 28. The restriction should have been Group I Claims 1 – 17, in class 544, subclass 353 and Group II Claims 18 – 28 in class 514, subclass 249.

Entry of this Supplemental Response is requested.

Dated: June 17, 2004

Respectfully submitted,
